Don't throw out your old mascara bottle. Wash it, and use it to mix together some castor oil, vitamin E, and aloe vera juice. A mascara brush is perfect for applying the mix to your eyebrows and lashes. Do it every night for a month before going to bed.

It's possible to make an anti-cellulite wrap even at home. Mix 2 tbsp of ground ginger, 5 tbsp of cosmetic clay, and 10 tbsp of warm water together. Apply the mix to the problem areas (belly, sides, hips, arms), and wrap them with plastic wrap. Leave it all like this for an hour, then unwrap yourself and take a warm shower. Do this once a week.

Sugaring is considered one of the best depilation methods. It's less painful, doesn't irritate the skin, and disposes of ingrown or bristle-like hairs. Mix 1/4 of a glass of lemon juice, 2 glasses of sugar, and 1/4 of a glass of water together. Heat the mix on a low heat until it's golden, cool it down, and apply it to your legs against the hair growth. Then sharply remove the paste.

## 10. For beautiful and strong nails
