40 Vintage Life Hacks from 100 Years Ago

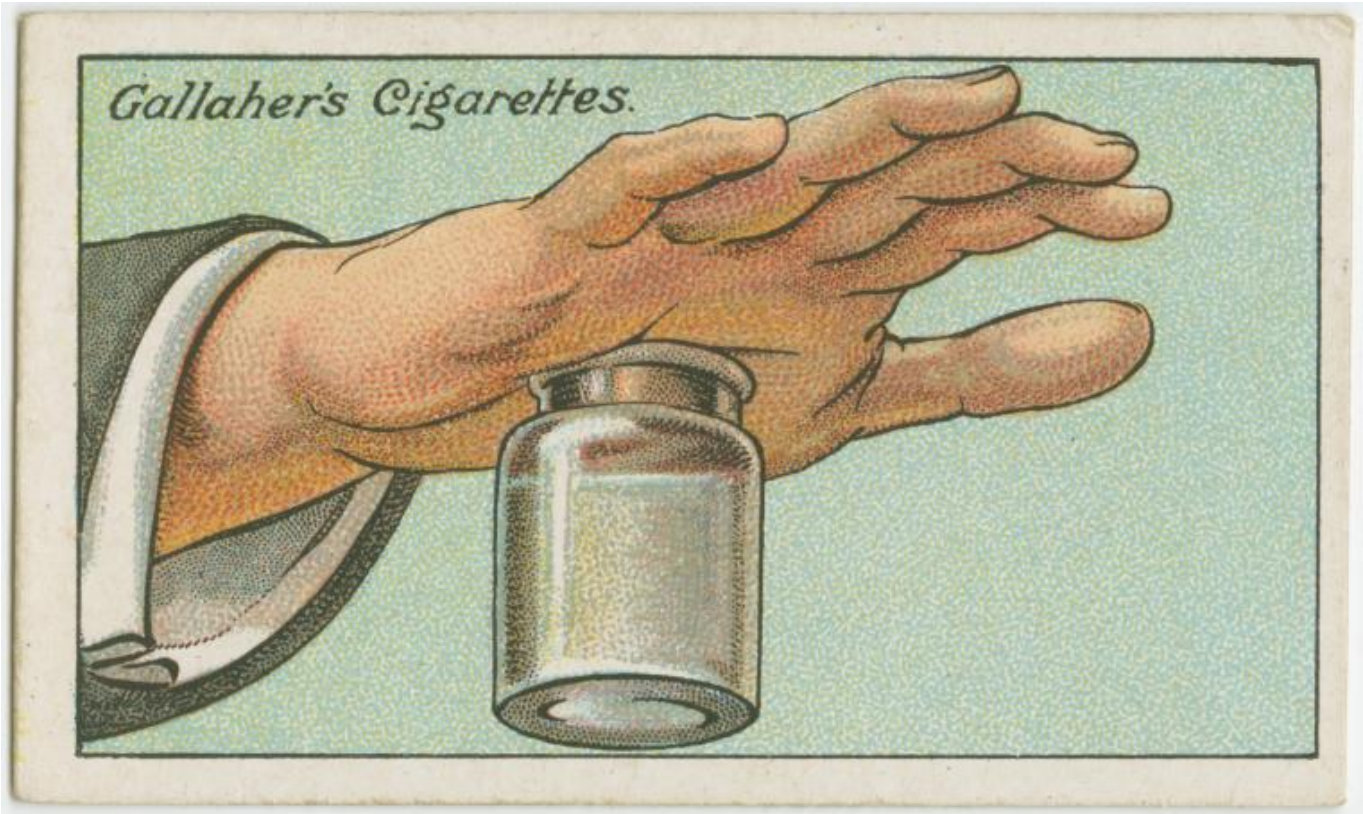

Back in the 1900s, cigarette manufactures used to insert stiffening cards into their paper cigarette packs to add

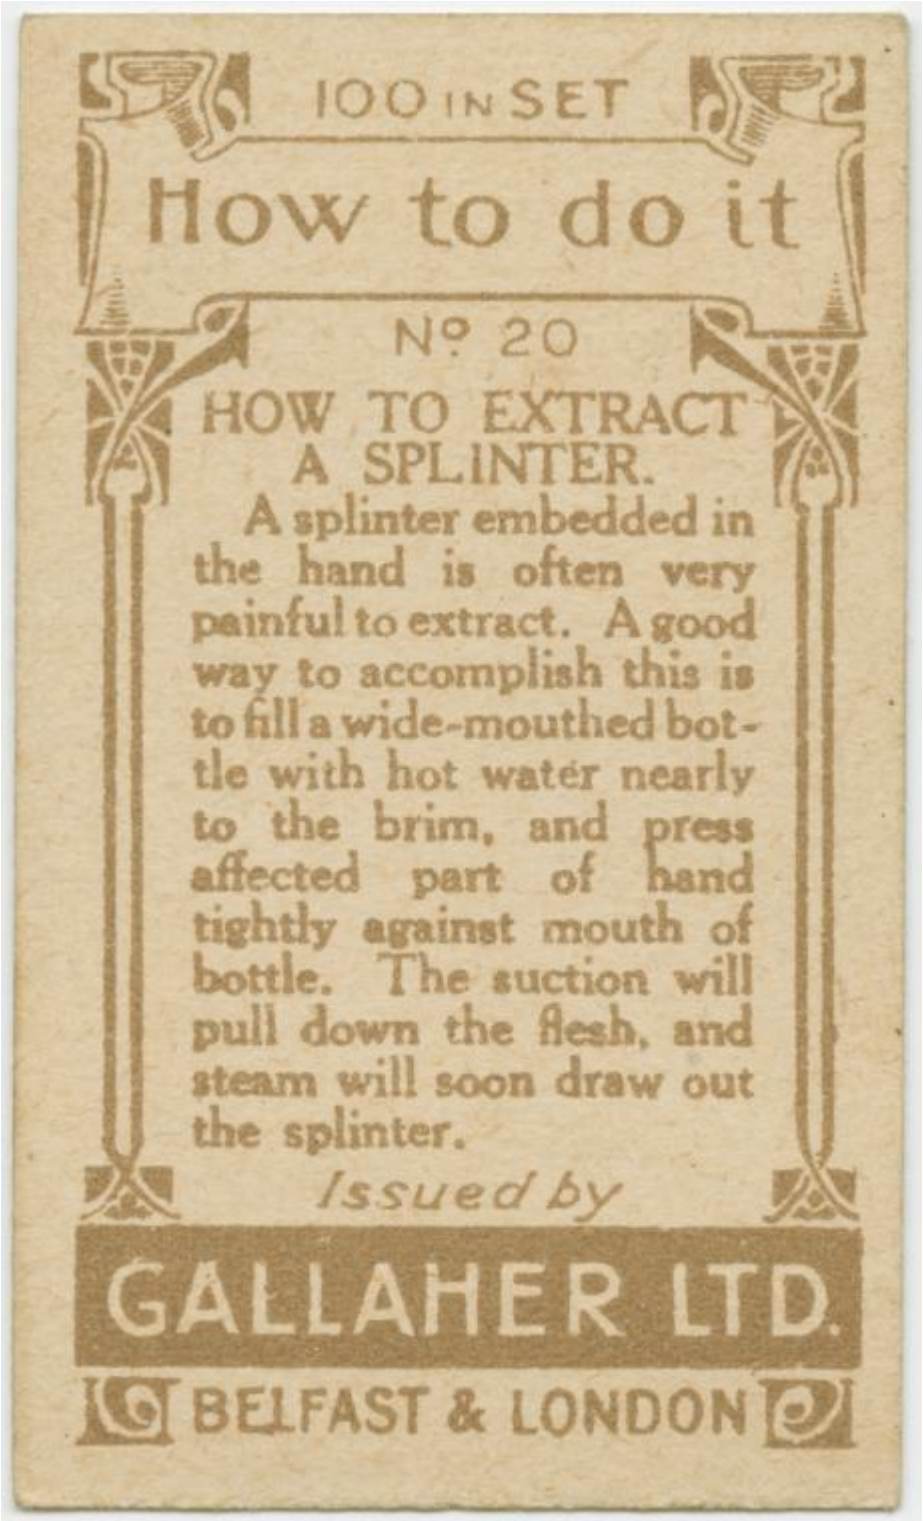

strength and help them last longer. Along the way, someone had the bright idea of printing trivia, artwork and even famous people and athletes (Honus Wagner anyone?) onto the stiffening cards.

In the early 20th Century, Gallaher's Cigarettes printed a special series of 100 "How to do it" cards that included some truly useful and helpful tips for everyday situations and problems. The entire 100 card collection is part of the New York Public Library's *George Arents Collection* and was recently digitized.
