

Top 10 Ways to Wear a Scarf

If you happen to love accessories in the shape of scarves or stoles, this is going to be a great read for you. Long, super long or medium length scarves that can be easily wrapped around your neck and shoulders would give you an elegant and sophisticated look. If you either decide to wear it in a casual combination of jeans with a shirt or simple blouse and wrap the stole around your neck or if you wear it with a dress, you know you can never make a mistake. The sizes of the stoles are usually slightly different from the scarves because stoles are not square shaped and most of them are visually slender and therefore more elegant. That means that you can wear the stole in a single wrap around your neck and you know that it would be enough accessorizing for your outfit. But if you are a girl who simply loves pieces of jewelry or you cannot give up on your favorite broche, then you can always add it on your stole. You can pin it on your stole and have a brand new, more glamorous look. Also you can always go and be more edgy and wrap the stole around your head, whether like turban or like a simple head band, you know that it would complement your look. When comes to edgy ways of wearing a stole, you can also use it like a belt for a dress, jeans or pants, wear it on your hips when you go to the beach as well. The following fashion tips will help you tie your favorite scarf
